Stage I Dance Academy Presents

62 Years of Making Dance Dreams Come True

Our Stage I Staff would like to thank all of our families for being a part of our 62nd year of celebrating dance. We thank the parents for giving us the opportunity to play an important role in the growing lives of their children. We want our students to know how much joy and excitement we feel as we watch them perform, knowing how hard they have worked all year for this special day. The Recital is about you and showing your talents to an audience filled with loved ones who cannot wait to see you perform. Step into the spotlight, smile and dance your heart out. Listen to the applause and know that you were a star.

To the Parents

To You, and You, and You

There are so many people that have helped to make Stage 1 successful.
We wish we could address all of you but the list would go on forever.
Hopefully you know who you are and how much we appreciate each of you.
